

OMNIA POKE

The easy fruit and salad bar

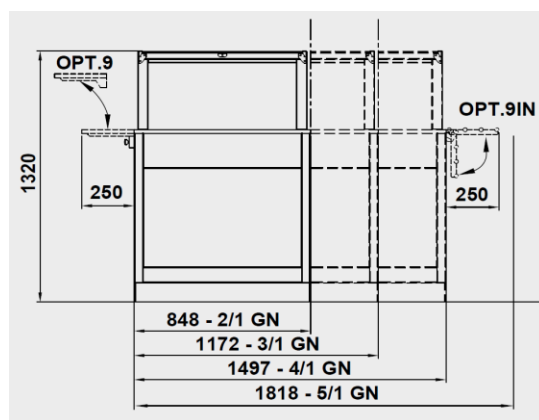

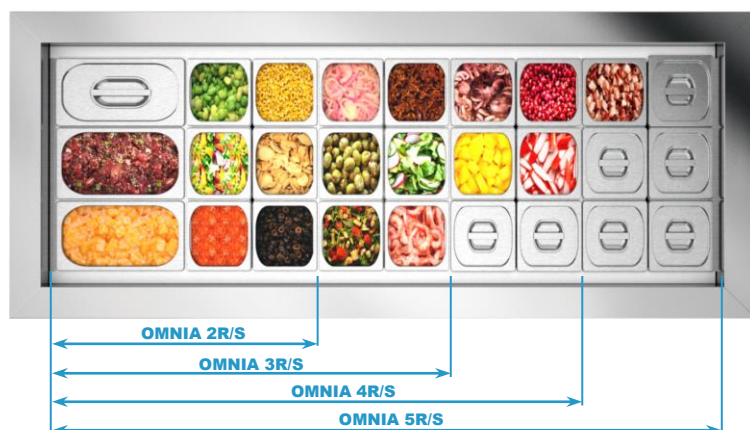

Ideal for dehor service, roof garden, terraces and any outdoor and indoor space.

Omnia POKE is the new Rocam solution designed for take away service, this refrigerated counter is specially equipped with $\varnothing 125\text{mm}$ wheels as standard that allow greater agility on all floors and ensure maximum mobility between the kitchen and the public space.

Thanks to the cold well with positive Temperature (0-6°C) it guarantees an effective maintenance of fresh food and at the same time an optimal display of condiments and variations.

For more info on the OMNIA RS range, refer to this [link](#)

The large capacity of the well guarantees the display of a wide range of variations and tastes. Possibility to present from 9 up to 30 GN 1/6 h 200mm containers.
