1. Instruction warnings

The user must hold whole instruction manual and store up this document in case of use. The producer do not assume any responsibility for damages incurred due to the failure of improper use of this manual. All measures in this manual are expressed in mm.

2. Safety and Right Use Warning

The Rocam Losi products meet the latest technological evolutions and current safety guidelines. The trolley of the lines **DRAGONE - CERERE**, object of this booklet, is projected to be in compliance with directives and field laws, in order to guarantee a safe and reliable product. Any other use will be considered inapposite to the original destination. Producer do not assume any responsibility for damages caused by an improper use.

Responsibility lies only on user. A proper use also includes compliance with the instructions for use and installation and any additional documentation as well as the conditions of inspection and maintenance.

3. Warranty

Due to commercial and construction requirements, the manufacturer reserves the right to make changes in order to enhance the quality and use of product. Rocam Losi s.r.l., in compliance with European Community legislation, grants its products for 12 months. This guarantee does not include electrical parts, labour and all replacements related to an improper use of the good. Any manipulation carried out automatically excludes the liability of the manufacturer. The products or parts to be replaced or repaired for unequivocal defects in workmanship and materials used must be in a “free port” at the offices of the producer, who after a careful inspection, will repair or replace them. The repairs are carried out exclusively at the headquarters of the manufacturer, and none cost incurred by the customer for repairs will be refunded by the manufacturer unless expressly agreed.

4. Installation and assembly

This article is packed and delivered unassembled. Its assembly must be executed by qualified staff. The manufacturer declines every responsibility of damage of someone or something caused by the failure to comply with the instructions of this manual.

Do not make any structural change to the trolley.

The elements composing the packaging (plastic, polyurethane foam, bubble wrap, Styrofoam, cardboard and so on) must be kept away from children as potential sources of danger and must be collected and disposed off separately in accordance with local regulations.

5. Cleaning and Maintenance

The cleaning of the trolley must be done with a soft sponge/sheet moistened with alcohol. Whereby stains persist can be used in a small amount of mild detergent and never abrasive or corrosive products.

It is recommended to always dry well in order to avoid the persistence of halos.

6. Disposal

At the end of its life-cycle the trolley must be disposed in compliance with local regulation and, if possible, disassembled in several disposal according to its components.
